

March 28th - 29th, 2013
 @ Pathumwan Princess Hotel, Bangkok

**Annual Meeting for Polymer Science and Technology
 for Academic Research and Industrial Development**

Important Dates

Abstract Submission:

From now to February 15th, 2013

Acceptance Announcement:

February 22nd, 2013

(related to polymers for food texture modifications, agricultural production, and packagings)

(related to polymers for health, medical and pharmaceutical applications, and nano-polymers)

(related to plastics, rubbers, fibers and textiles, surface coatings, adhesive, and foams)

(related to renewable polymers, environmentally friendly polymers, and polymer for energy)

Activities in the Meeting:

Plenary and Invited Lectures
 Awards for Distinguished Presentations
 Oral and Poster Presentations from Universities
 and Industries

Topics in the Meeting:

Polymers for Food and Agriculture (PFA)

Polymers for Health and Medicine (PHM)

Polymers for Industry (PIN)

Polymers for Energy and Environment (PEN)

Plenary Lectures

Professor Dr. Yoshiki Chujo

Department of Polymer Chemistry,
 Graduate School of Engineering,
 Kyoto University, Japan

**Title "Advanced Luminescent Materials
 Based on Organoboron Polymers"**

Professeur Philippe DANIEL

Institut des Molécules et Matériaux
 du Mans – IMMM UMR CNRS 6283
 Université du Maine, France

**Title "Raman spectroscopy applied to the
 investigation of natural rubber and
 derivatives: recent applications
 and new challenges"**

Dr. Thevarak Rochanapruk

Vice President and Project Director
 BPA, PTT Phenol Co., Ltd.

**Title "The Challenge of Doing
 Petrochemical Project in Thailand"**

Dr. Gerald Dräger

Gottfried Wilhelm Leibniz Universität
 Hannover, Institut für Organische
 Chemie, Germany

**Title "Towards New Extracellular Matrices
 for Biocardiac Tissue Engineering and
 Biocompatible Medical Devices"**
